

United Nations Convention on  
**a child's right to be safe**

**Article 19** You have the Right to be protected from hurt and mistreatment.

I have so much to learn to keep me safe!

That hot things burn, scissors are sharp and to hold the hand of a grownup when crossing the road.

Help me encircle myself with the security of those I love or can trust.

Myself, my family, my teacher, my neighbour.

I have so much to learn to keep me safe!

To protect myself, to be the boss of my body and to express my feelings especially when I feel scared or upset.

Help me learn to use my voice as an effective way to say "Stop!" "Back off!" "Listen to me!"

**I HAVE THE RIGHT TO BE SAFE AT ALL TIMES.**
